

A Day to Remember: Whale Watching with Our Amazing Team

Last week, two of our fine gentlemen embarked on an unforgettable adventure—whale watching out of Depoe Bay with their outstanding staff member, Tina. This excursion was not just about the thrill of spotting majestic whales; it was an opportunity to create lasting memories.

As they set sail from Depoe Bay, the ocean air was crisp, and the anticipation of seeing the magnificent gray whales made the trip even more exhilarating. Tina, with her infectious enthusiasm, shared interesting facts about the whales and the marine life that call this area home.

During the outing, they were treated to the awe-inspiring sight of whales breaching and spouting water into the air. Each sighting was met with cheers and laughter, creating an atmosphere of joy and camaraderie.

After a thrilling day at sea, they headed to Georgie's for a well-deserved meal. With its stunning sea view, Georgie's provided the perfect setting to unwind and reflect on their whale-watching adventure. The sound of the waves crashing against the shore enhanced the dining experience.

Overall, the whale-watching trip with Tina was a remarkable experience filled with adventure, laughter, and delicious food. It served as a reminder of the importance of taking breaks and enjoying moments of joy together.
