
Harvest Dance at Chamberlin House: A Night of Community and Celebration

November 13, 2025, Chamberlin House hosted its much-anticipated Harvest-themed dance, and by all accounts, it was a resounding success! With a vibrant turnout that included not only our wonderful CHI clients but also attendees from three group homes in Lebanon.

As the doors opened, the atmosphere was electric. The hall was decorated in autumnal hues, with pumpkins and fall leaves adding to the Harvest theme. The highlight of the evening was undoubtedly our fabulous DJ. She kept the dance floor full with lively tunes that appealed to everyone's tastes. From classic hits to modern there was something for everyone, and it encouraged many to show off their best dance moves!

What made the night even more special was the overwhelming support from our administrative and program staff. Their enthusiasm was contagious as they mingled with clients and guests, creating an inclusive environment where everyone felt welcome. The presence of staff not only added to the festivities but also reinforced the idea that we are one big family at Chamberlin House.

We are hoping to make the Harvest Dance a hallmark event for Chamberlin House. Our goal is to make this an annual event, encouraging other community providers to join us in the buzz of excitement leading up to the dance and hoping that clients and staff alike are eagerly anticipating the festivities.

The feedback from attendees was overwhelmingly positive. Many expressed their enjoyment of the evening, with attendees exclaiming, “The word is out!”

about the fun and camaraderie at the Harvest dance. It was heartwarming to see clients from different homes interact, form new friendships, and enjoy the moment together.

With such a successful event behind us, everyone is already looking forward to the next dance. It's clear that these gatherings fulfill a deeper need for connection and joy within our community

The Harvest-themed dance at Chamberlin House was not just an event; it was a celebration of community, friendship, and joy. It reminded us of the importance of coming together, especially in times when we can feel isolated. As we continue to foster such connections, we look forward to many more nights filled with laughter, dancing, and shared memories.

The success of the Harvest dance serves as a reminder of the importance of community events in our lives. They not only provide a space for enjoyment but also foster relationships among individuals who may otherwise not have the opportunity to connect. As we plan for future events, we are excited to explore new themes and activities that will keep the spirit of togetherness alive.
