

🌶️ 🔥 **CHI's 8th Annual Chili Cook-Off Was On Fire!** 🔥 🌶️

There's nothing like a little friendly competition to bring people together — and this year's CHI Annual Chili Cook-Off did not disappoint!

The room was filled with the rich aroma of simmering spices, slow-cooked meats, and secret family recipes. From smoky and savory to bold and blazing, the chili lineup was nothing short of impressive. Each crockpot told a story perfected just for this very showdown.

And when we say the competition was fierce, we mean it.

THANK YOU

2026 Panel of Judges

Judges took their jobs seriously, carefully sampling each entry and weighing flavor, appearance, consistency, aroma, and overall deliciousness. There were thoughtful debates, second tastings (for quality control, of course), and plenty of spirited conversations about who might take home the title this year.

But beyond the competition, what truly made the event special was the atmosphere. Staff gathered around tables, laughing, sharing stories, and celebrating together. It was a reminder that CHI is more than just a workplace — it's a community. Events like this give us space to connect, unwind, and enjoy the simple pleasure of great food and great company.

Congratulations to this year's winners for earning serious bragging rights — and thank you to everyone who participated, tasted, judged, and helped make the day such a success.
