

NIGHT *to Shine*

On February 13th, several people from Mitchell Place attended the Tim Tebow Foundation's Night to Shine!

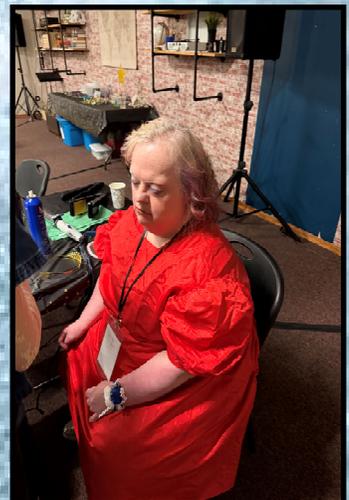

The magic of Night to Shine was felt by everyone in attendance. It was a beautiful celebration defined by laughter, music, and a community coming together to share endless smiles.

Night to Shine is a complimentary event for people with special needs hosted by local churches around the world. Attendees enjoyed a red carpet entrance complete with a warm welcome from a friendly crowd and paparazzi, hair and makeup stations, limousine rides, karaoke, gifts, a catered dinner, dancing, and a crowning ceremony where every guest is honored as a King or a Queen!

Upon arrival, several of the ladies received the royal treatment and were pampered with their own stylist for a hair and makeup session

The "Red Carpet" Philosophy

The paparazzi-style red carpet entrance isn't just for show; it's designed to provide a level of affirmation and "celebrity" status that many guests may have never experienced before.

Night to Shine's philosophy is based upon inclusion.

From the time they arrive, guests are met by a "Buddy"—a dedicated volunteer who stays by their side all night to ensure they are comfortable, included, and having the time of their life.

After being pampered, all honored guests were crowned kings and queens; a reminder to everyone that they are loved and valued

When the music hits its stride and hundreds of people are wearing crowns and tiaras under the disco lights, it creates a powerful visual of worth and celebration. It's not just about the music; it's about the feeling of being celebrated exactly as you are.

NIGHT *to* Shine

For many, the night was defined by the birth of new friendships and the creation of memories that will be cherished for a lifetime.
