

# MEET CASEY DAVIS GOODE/NANCY DSP

## CHI EMPLOYEE OF THE MONTH MARCH 2026

**"Huge kudos to this guy and his motivation to get individuals out of the house. Always fully engaged with anyone around him. Infectious positive attitude and always with a smile on his face!"**

Q: What are some things about being a DSP you wish everyone could understand and appreciate?

A: It's important to have patience and understanding. Having patience allows you to process and not jump to conclusions.

Q: What is the most fun you have had at your job so far?

A: When I got to take a resident to the zoo, there were so many really cool moments.

Q: What do you like to do in your free time? What are your hobbies and talents?

A: I enjoy playing video games, staying active and being social.

Q: What are your future goals?

A: To keep being a good person and allow for personal growth.

Q: If you could have 1 super power, what would it be?

A: To be able to be hyper aware of everything, to have hyper sensitive senses.

Q: If you could travel anywhere in the world, where would you go?

A: I would go to Japan. I love the culture and the scenery.

Q: What are 3 words you would use to describe yourself?

A: Loyal, respectful and understanding.

**Casey's Advise For New Staff:  
"Come in with an open mind  
and willingness to learn."**
