

Chamberlin House, Inc

Annual Company Picnic

Sometimes everything just comes together perfectly, and this year's ❤ Chamberlin House Company Picnic was one of those days.

On a sunny afternoon at Millersburg Park, nearly 140 people gathered to spend time together, enjoy some great food, and simply have fun. Our clients, staff, board members, and family members filled the park with laughter, conversation, and more than a few bubbles floating through the air.

From the moment people started arriving, there was a feeling that this would be a special day. Friends found each other, families spread out under the pavilion, music played in the background, and people jumped right into the games and activities. Everywhere you looked, someone was smiling.

One of the biggest hits of the day was the food. The team from Grindz Hawaiian Food Truck did an incredible job, serving up delicious meals. Between the food, the music, and the beautiful weather, it felt a little like we had been transported on a mini island vacation.

perfect Oregon summer day.

The weather certainly did its part. After all the planning, we were treated to blue skies, warm sunshine, and a

One of the sweetest parts of the afternoon was meeting some of the newest members of the CHI family. Several staff brought their babies, and they quickly became the stars of the show. There was no shortage of people wanting to stop by, say hello, and steal a smile or two. Seeing our staff share their growing families with the people we support made the day feel even more special and reminded us how connected our CHI community truly is.

Another highlight was seeing our Board of Directors turn out in force. Our board members didn't just stop by; they stayed, visited, ate, laughed, and joined in the fun right alongside everyone else. Their presence meant a great deal. It was wonderful to see them spending time with the people we support, getting to know staff and families, and enjoying the afternoon as part of the CHI community. We are fortunate to have a board that is so engaged, supportive, and genuinely invested in the people who make Chamberlin House what it is.

We also have to give a huge shout-out to Selena for taking so many amazing photos throughout the day. Somehow, she seemed to be everywhere at once, capturing smiles, laughter, all the little moments that made the picnic special. Thank you, Selena, for helping us preserve the wonderful memories of what was truly a fantastic day together.

A heartfelt thank you goes out to everyone who helped make the day happen and to everyone who came. Your presence is what made the event so special.

We left with full stomachs, happy memories, and a lot of hope that next year's picnic will be just as much fun.

Until then, we'll be smiling about this one for quite a while.
