

A Fun-Filled Day at the Linn County Fair!

Our Mitchell Place crew recently enjoyed a fantastic day at the Linn County Fair, and it looks like everyone had an absolute blast!

From delicious fair food and fun games to animals, great music, laughter, and great company, there was plenty to enjoy throughout the day. The fair provided the perfect setting for a day of fun and adventure, and our folks and staff made the most of it!

One of the best parts of the day was simply being together. The photos captured so many smiles and happy moments shared between the people we support and the staff who joined them. Whether they were enjoying a meal, listening to the music, checking out the fair attractions, or just relaxing and visiting with one another, it was clear that everyone was having a wonderful time.

A big thank you to our amazing Mitchell Place staff for helping make this special outing possible. We love seeing the people we support out in the community, enjoying local events and making memories with friends and the people who care about them.

It looks like the Linn County Fair was a big success—and one filled with plenty of smiles, laughter, good food, and great memories!

We can't wait to see what adventure comes next!
